

WHAT ARE THE BENEFITS OF PUBLISHING YOUR BACHELOR'S OR MASTER'S THESIS IN THE URV'S INSTITUTIONAL REPOSITORY?

1

DISSEMINATION AND VISIBILITY

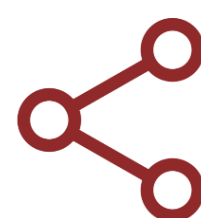

You increase your visibility in your field and will have a presence in national and international repositories

2

AWARENESS

You increase awareness of content in your field

3

EASE OF ACCESS

You can easily access your work online and for free

4

RETRIEVING CONTENT

You can use search engines to retrieve your content

5

PRESERVATION

Your work is stored in more secure devices and security copies are made of it

6

RIGHTS OF EXPLOTATION

Your work is assigned Creative Commons licences and you retain your rights as author

7

PROTECTION AGAINST PLAGIARISM

You protect your work with your name on the cover and through plagiarism detection programs

8

OPEN ACCESS

You contribute to the URV's open access institutional policy
